Hendricks Humane Receives Recognition For the Sixth Year by Cascade High School

Danville, Indiana, (July 25, 2023) – For Immediate Release: Hendricks County Humane Society, (Hendricks Humane) a nonprofit organization focused on facilitating animal welfare by being a voice for the animals, ending pet overpopulation, furthering the people animal bond and educating the community on the humane care of animals, was honored as a Community Partner for the sixth year by Cascade High School THRIVE during their *End of the Year Award Celebration* in May.

THRIVE has continued as a growing and important part of the Cascade High School curriculum for several years. Program participants include both students as well as employees and members of the community. Students in the THRIVE program pledge to be **T**rustworthy, **H**ardworking, **R**espectful, **I**ndependent, **V**ersatile and **E**fficient employees. Conversely, staff, peers and community partners pledge to work **T**ogether to **H**elp students **R**each **I**ndividual **V**ictories **E**very day.

“We are grateful to the THRIVE students and teachers who help us with serving our Pet Food Pantry clients on a weekly basis during the school year”, remarked Matt Chambers, Board President of Hendricks Humane. “We couldn’t be prouder to be a continuing partner with this outstanding program at Cascade High School, and we thank them for this award and recognition. As the onset of the new school year is upon us, we are looking forward to working with many familiar faces and some new ones as well”, Chambers continued.

About Hendricks Humane

Hendricks Humane is a volunteer-driven, nonprofit organization established over 50 years ago. Its programs and services which are funded by public donations, events and grants, are dedicated to ending pet overpopulation, furthering a people/animal bond and educating the community about the humane care of animals. The organization follows a mission of being a "Voice for the Animals".
